TWO NOTIONS OF THE HISTORY OF CULTURE 4 to associate Voltaire with it. The official father of the history of culture is Voltaire. In every book on the subject you will find that he is the man who virtually invented the history of culture, as he is the man who virtually invented the philosophy of history. I should like to question this somewhat.

Cultural history brings to life a past time and place. In this search, cultural historians study beliefs and ideas, much as intellectual historians do. In addition to the writings of intellectual elites, they consider the notions (sometimes unwritten) of the less privileged and less educated. These are reflected in the products of deliberately artistic culture, but also
