The modern American political spectrum and the usage of the terms "left" "right politics", "liberalism", and "conservatism" in the United States differs from that of the rest of the world. According to American historian Arthur Schlesinger, Jr. (writing in 1956), "Liberalism in the American usage has little in common with the word as used in the politics of any European country, save possibly ...

The American Dream is a national ethos of the United States, the set of ideals (democracy, rights, liberty, opportunity and equality) in which freedom includes the opportunity for prosperity and success, as well as an upward social mobility for the family and children, achieved through hard work in a society with few barriers. In the definition of the American Dream by James Truslow Adams in ...
