Serving the oil and natural gas industry with information API is pleased to present its 2018 publications programs and services catalog. The 2018 edition lists API standards, recommended practices, equipment specifications, other technical

PUBLICATIONS PROGRAMS SERVICES 2018 - api.org

API is committed to maintaining the highest level of confidence in its certification and/or licensing activities by providing impartial and objective assessments of its client's management systems. This commitment is supported by processes that manage conflicts of interest, ensure personnel competence, maintain confidentiality of information while promoting openness, and enable communication ...

API | API Monogram Program & APIQR

The growth in the space has been dizzying and IAB is best positioned to bring the same supply chain discipline to the mobile marketing sector that it has done for the broader digital advertising space for nearly 20 years.

IAB

This Ecma Standard defines the ECMAScript 2015 Language. It is the sixth edition of the ECMAScript Language Specification. Since publication of the first edition in 1997, ECMAScript has grown to be one of the world's most widely used general purpose programming languages. It is best known as the ...
