"Around the World" is a song by the French electronic music duo Daft Punk. The song was written by the duo and appeared on their debut album Homework in 1997 and was released as a single the same year. It became a major club hit around the world and reached number one in the dance charts. It also peaked at number one in Iceland and Italy.

Around the World (Daft Punk song) - Wikipedia

When I was told the next day that I was to go around the world I felt a prophetic awe steal over me. I feared that Time would win the race and that I should not make the tour in eighty days or less. Nor was my health good when I was told to go around the world in the shortest time possible at that season of the year.
