

chapter 1 social science pdf

1 Chapter 1 Science and Scientific Research What is research? Depending on who you ask, you will likely get very different answers to this seemingly innocuous question.

Social Science Research: Principles, Methods, and Practices

Social science is a major category of academic disciplines, concerned with society and the relationships among individuals within a society. Social science as a whole has many branches, each of which is considered a social science. The social sciences include, but are not limited to: anthropology, archaeology, communication studies, economics, history, human geography, jurisprudence ...
