

designing managing supply chain pdf

December 15, 2010 | By Amy Roach Partridge. Tags: 3PL, Supply Chain Management, Customer Service
When it comes to customer service, shippers want their carriers and 3PLs to provide the complete package. In today's complex supply chain environment, customer service between shippers and their logistics providers means more than just a friendly voice on the line when something goes wrong.

Managing a Customer-Driven Supply Chain - Inbound Logistics

In commerce, supply chain management (SCM), the management of the flow of goods and services, involves the movement and storage of raw materials, of work-in-process inventory, and of finished goods from point of origin to point of consumption. Interconnected or interlinked networks, channels and node businesses combine in the provision of products and services required by end customers in a ...
