International Law Enforcement Academies (ILEAs) are international police academies administered by the U.S. Department of State where U.S. law enforcement can instruct local police from participating countries in counterterrorism, narcotics interdiction, detection of fraudulent documents, and border control practices. They were established in 1995 by US President Clinton as a means of bringing ...

2017 Annual Report. The following pages provide an overview of the Law Enforcement Division's accomplishments during 2017. Not only did the year bring significant obstacles and challenges for the division, it also demonstrated the resolve, determination and flexibility of Montana Game Wardens to adapt to and overcome those challenges.

Montana Fish, Wildlife & Parks :: Law Enforcement

International Environmental Law (IEL) is concerned with the attempt to control pollution and the depletion of natural resources within a framework of sustainable development.

International Environmental Law - Public International Law

The history of wildlife management begins with the game laws, which regulated the right to kill certain kinds of fish and wild animal (). In Britain game laws developed out of the forest laws, which in the time of the Norman kings were very oppressive. Under William the Conqueror, it was as great a crime to kill one of the king's deer as to kill one of his subjects.
