In the context of Nepal, teachers often prefer to teach at the higher level. In my professional career, I have met very few people who really enjoy teaching at the pre-primary or primary level. According to them, teaching young children is very challenging and managing learning at that level is very difficult. My experience is different.

Teaching a foreign language requires educators to recognize the needs of their students. The requirements of adult learners differ greatly from those of young English language learners (YELLs). By identifying their needs, teachers can then adapt various factors in the classroom in order to have the greatest impact on YELL learning.
