Women's rights around the world is an important indicator to understand global well-being. A major global women's rights treaty was ratified by the majority of the world's nations a few decades ago.

Women's Rights " Global Issues

The status of women in India has been subject to many great changes over the past few millennia. With a decline in their status from the ancient to medieval times, to the promotion of equal rights by many reformers, their history has been eventful. In modern India, women have held high offices including that of the President, Prime Minister, Speaker of the Lok Sabha, Leader of the Opposition ...

Introduction. In 2010, social work officially marked its 60 th anniversary as a profession in Norway. In 1950 the state-run Norwegian School of Governmental and Social Work was established to meet the needs of a "new born" welfare state emerging immediately after the Second World War (Kluge, 1960; Terum, 1982).

Social work: A history of gender and class in the profession

Gender statistics inform policy and programme decisions, and are critical for effective monitoring and analyses of gender gains and gaps. Yet, eighteen years after the Beijing Declaration and Platform for Action (BPFA) clearly laid out twelve priority areas that highlighted the importance of making available data on women and men, the need and demand for gender statistics continue to grow and ...
