Draft Strategic Framework on Gender and Women’s Economic
Women's rights are the rights and entitlements claimed for women and girls worldwide, and formed the basis for the women's rights movement in the nineteenth century and feminist movement during the 20th century. In some countries, these rights are institutionalized or supported by law, local custom, and behavior, whereas in others they are ignored and suppressed.

Women's rights - Wikipedia
This part of the globalissues.org website looks into the issue of women's rights. This is improving around the world, but many women still have to struggle far more than most may realize. The health and protection of the rights of women also has an impact on children and therefore society.
